International Children's Ministry

Throughout this term, Lisa has had the privilege to work with and minister to kids from all around the world through our church, International Christian Assembly.

This church includes families from over 30 different countries and there is a unique opportunity to speak into the lives of these kids.

Through Children's Church, Youth ministry, VBS, and special programs, God is working as we see kids worship, pray and learn what it means to be a Christ follower!

Prayer Requests

- Please pray for Lisa's work with the international kids ministry
- Please pray for Toy's ongoing media ministry work
- Pray for God's blessing as we prepare for deputation

In the Studio

Dmetri recording dialog for VBS!

Dmetri has become more involved in media this past year!

He is now "the sound guy" for Children's Church as well as helping out with making videos for VBS and anything else he can get his fingers into! He's been a great help!

Deputation Starts next year, YOU CAN HELP!

In about 10 months we will begin our year of deputation in the States. We spend this time visiting churches, pastors, church mission boards and small groups to share our heart for Cambodia and raise support for the next four years on the field.

There are a few ways you can help us during this time, so that we can get back to the field quickly. One of our greatest needs is a good, reliable car. If you have a reliable car that might meet this need, please let us know. Also, pray as we are already scheduling services. If you or your church would like to get on our schedule, please let us know ASAP! You can contact us about either of these needs at troy.tabor@agmd.org Thanks. and God Bless!

Power Labs VBS 2009!

The whole family got involved in running Vacation Bible School for the international community in Phnom Penh this year. Dmetri (at right) was a part of the program, by performing skits to illustrate each day's lesson in a fun way.

FEBC Is Back To Full Strength!

Troy, who serves as chairman of the board for FEBC Cambodia, recently spoke at a ceremony marking the completion of repairs to their 10 kw FM transmitter.

This Christian FM station gives the church a voice to both share the gospel, and to provide a crucial link for local pastors and church leaders throughout the country to receive ongoing fellowship and training.
