## Back in the USA

The past few months have seen many changes and transitions as we have moved into our deputation cycle. After each four year term on the field in Cambodia we spend one year in deputation, visiting churches to report on what God is doing and raise support for the next four years. We are so thankful for all that God has done, and excited about what still lies ahead, and we hope to be able to share that with each of our supporters. If you would like us to visit your church please contact us and we will do our best to meet your schedule! Please pray that we would also be able to quickly raise the necessary funds for all that God has planned for the next four years.

This deputation we are also helping our two sons, Dmetri and Alex, transition more permanently back into life in the USA. Both Dmetri and Alex are new freshman at the University of Valley Forge, and when we return to Cambodia they will remain in the USA. To help facilitate this transition we are basing in Phoenixville, PA during our time in the States. Please pray for our family during this time of transition.

## The Work Goes On!

Thanks to the changes in telecommunications that have taken place in the last ten years we have the opportunity to remain closely connected with the work in Cambodia, even while we are in the USA! In addition to email, sometimes that means Skype conference calls from 1:00 to 4:-00 AM, but God continues to provide for the ongoing work of a number of our ministries in amazing ways.

Our distance education program, the Cambodia Community Bible Institute (CCBI) continues to help train leaders across the country. We currently have 174 students studying in 17 groups. FEBC Cambodia continues to broadcast our children's program, Nara & Grandpa Choy, across 75% of the country's population every Saturday afternoon, and the corresponding discipleship program is still being distributed and used in Cambodian churches. And we are continuing to prepare our new parenting and family program while here in the USA.

Please continue to pray for the ongoing work of all of these great ministries!
